As you can see, at the end of the year the calendar is sparse. So please, start sending in your 2018 car shows and events!

Before we depart, take a look at recent additions to the Cars for Sale page, like this 1984 SVO. And don't forget, it is free to list your classic on California Car Clubs. Go to www.californiacarclubs.com and follow the cars for sale link.

And now the legal disclaimer; if you wish to be removed from this distribution list, simply bounce it back with “remove” in the subject line. On the other hand, if you got this newsletter second hand, but would prefer your own copy, simply bounce this back, or otherwise send me an email with “add me” in the subject line. It's that simple.

Well that's it for now, so bye bye.
