Welcome to April . . . well, almost. But here are the shows that I have so far. Hope you enjoy the list.

Question about this barber shop; as you get your ears lowered, is your brain getting high?

I recently had a visit with my Doctor. I won't tell you what his specialty is. Can you guess?

I would love to have your show listed here too! Please submit shows to [webmaster@californiacarclubs.com](mailto:webmaster@californiacarclubs.com). Your best bet is to submit them in the format you see used in the newsletter. If you send a flyer only . . . well look at the really short listings, that's what you'll get. If you write it up yourself . . . well, look at the longer ones. In other words, write it yourself and say all you want hitting all the high points. I generally edit them only for obvious typos and family friendly content.

Disclaimer: If you wish to be removed from this newsletter distribution list, simply bounce it back with "remove" in the subject line. If you are not on the distribution list, and wish to be, send me an email or bounce this back with "add me" in the subject line.

Till next month, happy motoring!
